About Us

Established in 1994, we, Karunanand Hydro-Pneumatic Controls Pvt. Ltd., have secured a reputable position for ourselves in the market. Today, we are regarded as one of the prominent manufacturers and suppliers of an extensive assortment of industrial machines. Our customers trust us, immensely because of our strong commitment to providing quality products and timely delivery of the same. We ensure the performance of our cotton baling presses, ginning machines, jumbo bag baling presses, hydraulic cylinders, and other products by fabricating them with the highest quality raw materials.

We credit all our success to our professionals, who are thoroughly guided by our mentor, Mr. Dinesh Patil. His continuous motivation and business acumen consistently push the limits of our professionals and make them competent enough to deliver a qualitative product range in addition to a satisfactory customer experience. Under his guidance, the professionals work diligently and utilise the facilities available to them to successfully meet the diverse needs of the patrons.
